

Cape Carancahua Water Supply Corporation welcomes Payclix!

Cape Carancahua Water Supply Corporation is pleased to announce to all its customers that CCWSC now uses PayClix for online bill distribution and receipt of payments.

Through PayClix, you can now securely view and pay your water bill online using an eCheck or credit card. Paying your utility bill has never been easier. You can also set up automatic payments, so you'll never again be late and have to pay a late fee.

Don't have email?? Don't worry! You can self-register to use PayClix using your personalized web URL and see your billing statements or you can use PayClix 24/7 interactive telephone voice response system to make a payment using just your account number and billing zip code by dialing 1-866-PayClix (729-2549).

We will, of course, continue to accept checks that are mailed in or dropped off at the water department.
