CCWSC Holiday Closures

December 24, 2024 –
December 25, 2024

December 31, 2024 –
January 1, 2025

Happy Holidays!

CCWSC WATER DEPARTMENT HIGHLIGHTS

What's happening this month

➤ We want to thank Joann Bigger's for donating a barbeque pit and a work truck to the water department in memory of Hank Biggers. The truck will stay inside the cape to be used as a work truck for maintenance. In the picture you can see we tagged the truck Hank #1. Hank was a big asset to our Water Department and helped us restore the plant. Hank is and will be sorely missed.

➤ The pressure tank to the North in the plant was refurbished on the inside and last week JFX Coatings started the outside of the tank. This tank will be painted today on the outside. After this work is complete the work will start on the refurbishment of the middle tank. Once the tanks are completely refurbished, we will sanitize the tanks and take bacteriological tests before we put them back into service.
