NEWS ALERT

To conserve water when watering lawns and plants, water early in the morning or late evening to minimize evaporation, use a watering can instead of a hose.

CCWSC WATER DEPARTMENT HIGHLIGHTS

What's happening this month

CCWSC has a PORT-A-COOL fan that was donated to CCWSC by Joann Biggers. CCWSC would like to offer it to be used by the community at no cost. If you have an event outside that you would like to use the PORT-A-COOL fan, please contact 361-972-0929 to reserve and schedule drop off and pick-up to your drive way. CCWSC Maintenance staff will drop off and pickup during the week. If you reserve it on a Friday, they will pickup on the following business day or if you need for a longer period of time they will pick-up during the week as specified. (Drop off and pick-up days Monday through Friday during business hours, except on holidays).
